all **PRICES SUBJECT TO CHANGE** without any notice – this data is for **INFORMATION ONLY**

Other labor may be included. Additional parts may be required. TEC Shop warrants it's work ONLY.

This is an *overview* listing of services performed by TEC Shop to convert a Vanagon to a BOSTIG Power Pack. ALL pricing subject to change.

PLEASE NOTE -

The addition of other parts, services or accessories will incur additional expenses by way of added labor and parts. Automatic transmission kits cost extra. Air Conditioning is an added expense as is cruise control.

Contact TEC Shop for pricing on add ons (206) 363-5560.
